**Team Development**

I specialize in helping teams build and maintain trust. In a high trust culture, teams are engaged and achieve extraordinary results. I conduct assessments of teams and provide data-driven recommendations to leaders for action.

*I have a proven track record for helping leaders and teams build trust and thrive.*

**Facilitation**

I dedicate time up front to listen and gain clarity on what success looks like and then facilitate achievement. I guide and support the development of mission, vision and values and how to make those come alive in an organization.

*I have designed and facilitated hundreds of meetings and retreats for executives, leaders and teams.*

**Trainings**

I am a Certified Dare to Lead™ Facilitator known for making training relevant, memorable and fun. I'm well-versed in adult learning theory and teach graduate-level courses in leadership development.

*I have designed and delivered trainings and workshops to thousands of leaders and practitioners.*

**Coaching**

I coach executives, leaders and teams to gain clarity and achieve results. I help leaders identify and close skill gaps so they can lead with even more influence.

*I am a Certified Mediator and have mediated hundreds of workplace disputes.*
